

ELECTRONIC DOCUMENT AND ELECTRONIC TRUST SERVICES ACT

Prom. SG. 34/6 Apr 2001, amend. SG. 112/29 Dec 2001, amend. SG. 30/11 Apr 2006, amend. SG. 34/25 Apr 2006, amend. SG. 38/11 May 2007, amend. SG. 100/21 Dec 2010, suppl. SG. 101/20 Dec 2016, amend. and suppl. SG. 85/24 Oct 2017, amend. SG. 97/5 Dec 2017, amend. SG. 14/13 Feb 2018

Chapter one. GENERAL

Field of application

Art. 1. (1) (Amend. – SG, 85/17) This Act shall regulate the electronic document and the electronic trust services.

(2) This Act shall not apply:

1. to transactions for which the law requires qualified written form;
2. (amend. – SG, 85/17) where the holding of a document or a copy thereof has legal importance.

Chapter two.

ELECTRONIC STATEMENT AND ELECTRONIC DOCUMENT (TITLE, AMEND. – SG, 85/17)

Electronic statement

Art. 2. (1) (Amend. – SG, 85/17) Electronic statement is a verbal statement presented in digital form by a generally adopted transformation standard, reading and presentation of the information.

(2) The electronic statement can also contain non-verbal information.

Electronic document

Art. 3. (1) (Amend. – SG, 85/17) Electronic document is an electronic document in the meaning of Art. 3, item. 35 of Regulation (EU) No 910/2014 of the European Parliament and of the Council of 23 July 2014 on electronic registration and trust services for electronic transactions in the internal market and repealing Directive 1999/93/EC (OJ, L 257/73 of 28 August 2014) called hereinafter “Regulation (EU) N 910/2014”.

(2) (Suppl. – SG, 85/17) The written form shall be considered complied with if an electronic document is compiled, containing electronic statement.

Author and signatory of the electronic statement

Art. 4. Author of the electronic statement is the individual indicated in the statement as its author. Signatory of the electronic statement is the person on whose behalf the electronic statement is made.

Addressee of the electronic statement

Art. 5. The addressee of the electronic statement can be a person who, by virtue of a law, is obliged to receive electronic statements or which, on the grounds of unambiguous circumstances, can be considered agreed to receive the statement in electronic form.

Mediator of the electronic statement

Art. 6. (1) (supple. - SG 100/10, in force from 01.07.2011) Mediator of an electronic statement is a person who, by assignment of the signatory, author or recipient, sends, receives, records or stores an electronic statement or performs other services related to it.

(2) The mediator of an electronic statement shall be obliged:

1. to have technical and technological equipment which provides reliability of the used systems;
2. to keep personnel possessing the necessary expert knowledge, experience and qualification;
3. to provide conditions for precise determination of the time and source of the transmitted electronic statements;

4. to use reliable systems for storing the information under item 3;

5. (amend., SG 38/07; amend. - SG 100/10, in force from 01.07.2011) to store the information under item 3 for a period of one year.

(3) The mediator of the electronic statement shall be responsible for the caused damages by non-fulfilment of his obligations under para 2.

Errors in transmitting electronic statement

Art. 7. The signatory shall bear the risk of errors in transmitting electronic statement, unless the addressee has not taken due care.

Confirmation of receipt of an electronic statement (Title amend. - SG 100/10, in force from 01.07.2011)

Art. 8. (1) Confirmation of receipt of an electronic statement shall not be required for deeming it received by the recipient, unless otherwise stipulated between the parties. Where the parties have stipulated that confirmation of the receipt is required and have not specified a time limit for that, the confirmation shall be made in a reasonable term.

(2) (revoked - SG 100/10, in force from 01.07.2011)

(3) The confirmation of receipt shall not certify the contents of the electronic statement.

Time of sending an electronic statement

Art. 9. The electronic statement shall be considered sent with its receipt in an information system which is not controlled by the author.

Time of receiving an electronic statement

Art. 10. (1) (amend. - SG 100/10, in force from 01.07.2011) The electronic statement shall be considered received with its receipt in the information system indicated by the addressee. If the addressee has not indicated an specific information system the statement shall be considered received with its receipt in any information system of the addressee, and if the addressee has no information system - with its drawing out by the addressee of the information system where the statement has been received.

(2) If confirmation has been stipulated, the electronic statement shall be received with the confirmation being sent by the recipient for its receipt.

Time of learning about an electronic statement

Art. 11. It shall be considered that the addressee of the electronic statement has learned about its contents within a reasonable period after its receipt.

Place of sending and receiving an electronic statement

Art. 12. (1) An electronic statement shall be considered sent from the place of activity of its signatory.

(2) The electronic statement shall be considered received at the place of activity of its addressee.

(3) If the signatory or the addressee of the statement has more than one place of activity considered as place of activity shall be the one which is most closely related to the statement and its fulfilment, taking into account the circumstances which have been known to the signatory and to the addressee or have been taken into consideration by them at any time before or during the performance of the statement.

(4) If the signatory or the addressee has no place of activity his permanent residence shall be taken into consideration.

Electronic signature

Art. 13. (amend. - SG 100/10, in force from 01.07.2011, amend. – SG, 85/17) (1) Electronic signature shall be electronic signature in the meaning of Art. 3, p. 10 of Regulation (EU) N 910/2014.

(2) Advanced electronic signature shall be an electronic signature in the meaning of Art. 3, p. 11 of Regulation (EU) No 910/2014.

(3) Qualified electronic signature shall be an electronic signature in the meaning of Art. 3, p. 12 of Regulation (EU) No 910/2014.

(4) The legal force of the electronic signature and of the advanced electronic signature shall be equal to the handwriting signature, where this has been agreed between the parties.

Confidentiality of the data for creation of an electronic signature

Art. 14. (Repealed – SG, 85/17)

Contesting an electronic signature

Art. 15. (Repealed – SG, 85/17)

Chapter three.
